### REMEMBERING Abigaal

Abby you were loved from the minute you were born. We never knew we could love a dog so much. We have laughed at your actions and spoiled you so much. You had Dad well trained. You were not with us for as long as we wanted. You were almost 9 but we were not ready to let you go. There will always be a place in our hearts that you hold and no one will ever fill that space. We will be together again one of these days. I hope you are playing with Maggie. We lost her too soon as well. Your best Doggie friend in the world. We love you both. We love you Abby and will miss you forever as long as we live.
