

Addie Mae Dishon

October 10, 2012 - May 9, 2026

Our sweet girls name is Addie Mae Dishon. She was born on October 10, 2012 and passed away on May 9, 2026. Addie came into our lives as a four year old and we have loved her ever since she joined our family just shy of our 1 year wedding anniversary. She has been our first baby before we had kids. She loved going on car rides, snuggling up while we watched movies, loved to eat her fair share of deer sausage...(sometimes more) and just being with us. She was such a sweet, loving dog. She saw us as we struggled with infertility, our pregnancy, meeting her new brother, adjusting to life with a new baby, and our miscarriage. I truly cannot imagine life without our sweet girl. She's been there for so many milestones and I'm sad she's not still here living her best life. Addie Mae or bugs as we would call her will forever live in our hearts. Thank you sweet girl for all the wonderful memories, lots of kisses, and tons of snuggles you gave us throughout the years. Till we meet again we love you forever and always! Love your family
