REMEMBERING Anastasia (Stasia)

On Monday we lost this amazing girl. She went peacefully to sleep. She will run to Rainbow Bridge and meet her brother Lover Boy and her Sister Victoria her Daddy Sir Mutt Mutt and her Momma Baby Girl. She leaves behind her blood sister Abby and Sissy Zee Zee and her cat Queen Isis. Everyone in the neighborhood misses you already it's so quiet now. We miss you little bug. We love you to the sky and back..
