Angel

Nickname Little Girl

11/25/2011-06/02/2025

I will forever remember you sitting in the fig tree in the backyard, one of your very favorite places to be. You were the sweetest, gentlest, most peaceful kitty I have ever had share life with me. I immediately felt calm and peaceful sitting beside you and you really taught me how to slow down and find joy. I miss you everyday and think about you every time I pass by your favorite places to sleep. I wish I could have had more days with you but I am happy you are at peace from your pain. Thank you for bringing joy to my life. I love you Little Girl!
