

Annabelle Cruz

June 4, 2009 - February 8, 2026

Annabelle was the lone wolf in the pack. She always did things alone but for some reason she always had someone by her side. She just had that lovable personality, sweet like her mama. As she got older the way she slept gave her a new nickname which was “frogs”. She would roll into a ball and her back legs looked like a frog lol. She was our sweet baby and will be missed. We love you
