

Baby Rios

May 10, 2010 - September 7, 2024

Our beloved Baby came into our lives four years ago in October of 2020. It was during a time of isolation from the world, and it was love at first sight. Baby was the only senior cat in the entire shelter, and I knew she was meant to be mine. She had outlived her previous owner. She was blind, missing the majority of her teeth, and a loner. On her first day home, she wouldn't eat the expensive wet food I bought for her. She had a preference for cheap kibble or whatever was on our plates. Even without teeth, she found a way to chow down on stolen chicken strips. She was funny like that, she always found a way. Even with no eyesight, she could see. She could see when someone was hurting and needed love. She was the most empathetic girl and the fiercest protector. She is survived by her mama, papa, brother Boogie, and sister Binxie. Her memory will live on in our hearts forever. Until we meet again babygirl.
