

Bandit Wallace

November 17, 2012 - March 18, 2025

Bandit joined our family as a 6 week old puppy in December of 2012. He grew up with my 12 year old daughter, and was the most vocal Yorkie you'd ever meet. He had a mind of his own, and he always thought that what he said, goes. He was the boss, of everyone, even the big dogs. On 3/18, we dropped him off at the vet to have his teeth removed, which would help take care of his abscess. Then I got a call an hour later that it was a mass that had taken over his jaw and had spread. The most humane thing to do at this point was to put him down. We will miss you forever, and will wait for the day we can meet you again. Love you so much-
