

## Baretta Stephens

January 19, 2012 - September 8, 2023

Baretta Stephens was born January 19, 2012 and gained her much deserved heavenly wings on September 8th, 2023. Baretta was the true definition of a 'Nanny Dog.' It didn't matter if it was a child, adult, kitten, cat, goat, puppy or dog, being the protector brought her the most joy in the world and she watched over everyone like they were her 'puppy.' She loved to go for a ride in the car or just lay out in the sun and sunbathe. Baretta loved everyone she met, and they loved her just as much. Our hearts are shattered in losing our 'Rhetta-Roo' so unexpectedly, but we are comforted knowing she's back with her brothers Chi-Chi and Willy. She was the absolute best girl a family could ever want to have in a dog and she'll be missed terribly by her family and her 'kids' Alaina, Taylor, Erik, Mekah and Sydney.

Until we meet again our sweet girl...
