REMEMBERING Bella

Bella was a fun loving happy puppy. Her life was taken to early. She had so much ahead of her but she was called home. Bella was only 8 1/2 months old she loved walks, parks, having fun. Most importantly bella loved her family and having races with kids of the neighborhood. She loved to be sneaky when came to taking someone's food. On multiple occasions she would keep you occupied to steal your food but that is what made bella bella. Although she is gone bella will never be forgotten she will always have a spot in our hearts as part of our family also everyone bella came in contact with will also remember how special bella was and unique she was i know my memories and love for bella will last a lifetime. You will remain in our hearts bella i love and miss you greatly
