

Bentley MacCloskey

November 23, 2009 - May 8, 2024

This beautiful boy came into our lives and stole our hearts for over 14 love filled, action packed years. When they say the biggest things come in small packages they aren't kidding!

When he was just a year old he got loose from his pet sitter and was missing for a week!

We stopped at nothing to find him and bring him home where he belonged! Bentley loved searching every bag we brought home for a new toy and opening his Birthday and Christmas presents was his favorite. We will miss everything about his vivacious personality and would give anything for one of your kisses right now.

Bentley is survived by his loving family, Laura, Taylor, Michelle, Matt and Madison and his girlfriend Bella.

He is joined by Rox, Lilah, Kit and Molly over the rainbow bridge.

Our hearts have never felt so broken, but this pain could not exist without the pure unconditional love you brought to our lives.

We wanted to spend the rest of our life with him but instead we are honored knowing he spent the rest of his life with us.

~You will always be our boy~
