

## Billy Labrozzi

October 27, 2008 - October 9, 2024

Billy was born 10/27/2008, blind and deaf and we lost him 10/9/2024. I rescued him in August 2014. Even though he could not see me or hear me, he always knew I was there. He loved running around the backyard, laying next to us anytime we were on the couch, sleeping next to me every night with his head on my arm, stuffed toys and treats. He was a happy little fur baby, my constant companion and a piece of my heart is gone without him.
