

Bonnie Winchester

May 12, 2017 - May 12, 2026

My baby girl, Bonnie was born on May 12, 2017 and passed away on her birthday, May 12, 2026. She was the light of my life and my best friend. She gave me so much love and affection. She was loyal to the core. Always had a smile on her beautiful face. She was my little toddler because she had a little siblings rivalry with my son. She loved going outside, playing with her toys and she loved to eat just like her mommy.

My sweet girl saved my life as I've been battling depression and mental health struggles so I am forever grateful for my guardian angel.

Until we meet again, my little Bonnie-boo. I love you so very much and miss you like crazy. I know you made it to the Rainbow Bridge and Zoey wholeheartedly welcomed you to a new chapter of your life. Please tell my Zoey girl I love her and miss her too. Bonnie filled my life with unconditional love, laughter, chaos and comfort and a bond that will never be broken. She lives on in my heart forever.

In loving memory of Bonnie.
