

Boots Butler

September 10, 2009 - August 6, 2024

Boots was born 9/10/2009 and he got his wings on 8/6/2024. He became part of our family in November of 2009. He was the size of a small kids boot, hence how he got the name 😊! Boots has been the joy of our home ever since. Very early in life he experienced a traffic accident that left him with 3 legs, but it did not stop him from running, jumping, climbing and doing all the things any other puppy would do. He was such a resilient little guy. He loved attention and did not miss an opportunity to let his presence be known. He touched so many lives of family and friends and he was loved by everyone. He will be truly missed and life won't be the same without him. We love you forever
