

Brandy Barnes

July 6, 2016 - December 3, 2023

Pretty girl ,

The light of our lives. Gone entirely too soon but never forgotten. We have had fur babies before but none comes close to you. We adopted you at a hard time in our families life and you came in and change everything around for the better.

We had some amazing times together and we thank you for every moment. You are family and nothing shy of our spirit baby. You will live on in our hearts forever more. Brandy, Pretty Girl, Pea Girl, Cuddly Wuddly. Until we meet again. We love you !!
