Brinkley Phillips

June 2010-December 2025

Our sweet beagle boy Brinkley, aka “Binkie”, crossed the rainbow bridge at home on December 21st, 2025. He was born June of 2010 in Aggieland. His first Dad was a college student at A&M, so Brinkley got to be a part of many college parties at home. He became an expert at searching missions for food during these festive events. When his dad left for the military, he moved in with Grandma for the next 13 ½ years. Life went from partying to his new life being Grandma’s #1 boy at home with daily siestas on the sofa and patrolling his yard for intruders. He loved his grandma and was her frequent driving companion to downtown Dallas when she went to work and he was then dropped off at doggy daycare where the cool dogs went in Deep Ellum. Life lately was tough for Brinkley as he was suffering from arthritis and kidney issues. Brinkley was there for his family with lots of love and always let you know he was there for you. He loved attention from strangers! He was also the king of food theft and demanding head scratches. We loved our boy so much and will miss his, “Arooooo” barks. We will always love you Brinkley!
