Bundy Reedus

July 16, 2011 -April 11,2025

Bundy was an adventurous little Yorkie.

He has been to several states and loved riding in the car to get there. He was a great travel companion. He was spoiled with love and was a happy little boy. He was bossy and loved attention but he gave it all back to you as well. He loved giving kisses and snuggles at bedtime and always was excited to see me. He enjoyed treats, sweet potatoes and chicken. His favorite toy was a stuffed bear he had all his life that we named his paci, because he sucked on the ears or feet to fall asleep.

He was like velcro always right by my side.

He will be missed greatly. I know he is running and playing over the rainbow bridge waiting for the day we will see each other again.

Rest in peace and love baby

Always mom
