REMEMBERING Carson

I can remember like it was yesterday when I saw that sweet little face approach me at the kennel and put his footprint on my heart. I have loved every minute I have had you in my life. Carson filled such a void in my life and filled it with so many kisses and love. I will never forget my lil Carsie. He was truly a special little dog . To his picky pallet of dog food and love of chicken. To his always wanting cross the street when we were supposed to walk on one side of the street. I hope to see you again on the other side of the rainbow ?? my sweet little Carsie. Will never forget you. Love you always . Mom mere ??
