

Chanel Gutierrez

September 23, 2008 - November 2, 2024

Chanel came into my life and stole my heart. She was born September 23, 2008 and left us on November 2nd, 2024. The 16 years that she has spent with me has been amazing. I have learned so much from her, The love and joy she has brought to me was a blessing. She had many unique qualities, one of them being she saved my life by detecting thyroid cancer. She kept me entertained everyday. She loved my son Cody and my grandson Valentin. Chanel, I have not quite figured out what to do without you. I miss you so much. You were deeply loved, completely spoiled, and are being missed beyond words. Rest in Peace My Princess. My Beauty Queen. Till we meet again. I love you.
