### REMEMBERING Charles "The Great"

In Remembrance of Charles "The Great" McIntosh Charles was born 19 January 2003 - 23 December 2018. God gave him to us for 15 years, 11 months, and 4 days. Charles was the best gift I ever received and he certainly lived up to his name Charles "The Great". There are not words in the dictionary that I could use to describe Charles. He is and was the first human-dog that I have ever had. He literally ruled our home and we did obey. There was never a time when he didn't know when something was not right. He would lay or sit next to me until I would tell him I was okay and that he could go outside or go play. He loved people & people loved him. He always seemed to know what they needed, whether it was a kiss or needing to hold him or to just rub him. We are thankful for our years but I must admit I wish it could have been longer. But I knew he was getting tired and having problems getting around. He was too Great to watch him suffer. Rest In Peace Charles (CG) "The Great" you certainly earned and wore your name with pride and proudly. You are going to love your Grandparents. I know that you will always be in my heart and on my mind. We will meet again, I truly believe that. So rest my Great and Faithful friend. Loving you always, Mama Catherine L McIntosh
