

## Chulo Casso

January 7, 2011 - January 6, 2025

Chulo Casso left his earthly body on January 6, 2025 due to Congestive Heart Failure.

Born on January 7, 2011 ... this adorable Pup lived his first 6 months in a previous home until his mommy and daddy adopted him and brought him to his forever home where he lived a loving 14 years being spoiled to the highest. He was his parents everything. He stole their hearts from the very first day. Their only baby for 11 years. Full of life, loyalty and very affectionate to a slim few. If he chose you , he loved you hard. Some of the few he chose to love the most were his Mom and Dad ,his human Siblings Ellie and Jack, his Maw Maw , his Granny and Paw Paw, Rah Rah, Uncle Chuck and Aunt Jayla, Luke, and Ray.

He was very protective and Deff showed his spicy chihuahua tendencies. He didn't care much for being outside but would venture out if sister was out there. He was the best snuggler and the biggest blanket hog. He always burrowed under blankets to sleep. He loved a good stuffed animal and would get soo excited for new presents. His favorite hobbies included following his Human sister Ellie around eating her snacks that she dropped, sitting in the chair with dad and being cuddled by mom. He had several nick names ... Chu Chu , Chulito, Chuchu wuwu, and Chuchi.

Baby Chulo, you will furever be cherished in our hearts and missed dearly.

Thank you so much for showing us unconditional love. We can still hear your little toenails clicking, walking around the house and I hope it never stops. Please wait for us at the Rainbow bridge. RIP our sweet sweet boy. We love you endlessly.
