REMEMBERING Cicely

Cicely joined our family on July 12, 2002 in Cicero, NY when she was just over 1 year old. She spent her next 16 years watching over three girls growing up, providing company, comfort, and fun while putting up with whatever activity the girls decided she needed to be part of. She traveled with us over 1,500 miles to the new home in Allen, TX in the summer of 2012. Though small in size, she was never afraid to speak up when she was underfoot, on the wrong side of a closed door from us, or she wanted whipped cream. On September 17, 2018, tired out from a busy life, she went to sleep one more time in the late afternoon sun. We'll miss and remember her always.
