

## Cody Robison

August 28, 2025

Cody was a Chinese Crested who I rescued in 2011, and he passed in my arms on 08/28/25. Cody was literally my best friend and constant little companion in the whole world. He was the only man and love of my life. He was 9 pounds of bad to 'da bone, he would bow up to a chocolate lab, but would run for his life from a chicken 🐔. Cody was like a 4-legged human, he was so smart and he loved having toast with me every morning! His favorite toy in the world was a soft little chew toy, that he knew as "baby". I don't think I will ever get over the pain of his passing, but I know that God put him in my life for a reason, and those were the most precious years of my life 😭♥
