

Cookie Money

September 3, 2024 - August 10, 2025

It is with a heavy heart that I share the news of the passing of our beloved Cookie, affectionately known as Cookie Dough, Cookie Monster, and Cookie Girl. She joined our lives on September 3rd, 2024, bringing with her an abundance of joy, and crossed the Rainbow Bridge on August 10th, 2025. The void she leaves behind is immense.

Cookie was more than just a pet; she was a cherished member of our family. Her love extended to her two human brothers, her mom, papa and Gigi. She had a special bond with her four-legged companion, Teddy Claire, her partner in crime. While she possessed a delightfully stubborn streak – a true "little monster" – her loving and playful nature always shone through.

I will forever cherish the simple moments: waking to find her nestled beside me on the pillow, her adorable chocolate nose and hazel-green eyes gazing up at me; her devoted (and sometimes slightly overzealous) escort to the bathroom; and, of course, her unique talent for decorating the house with toilet paper – a mischievous habit that always brought a smile to our faces. Her boldness extended to claiming my king-size bed as her personal nap zone.

Cookie's spirit touched our lives in countless ways. Her playful antics, unwavering loyalty, and unconditional love created memories that will forever be etched in our hearts. We will miss her deeply, and the laughter she brought

into our home will always resonate.

Until we meet again, my sweet Cookie Girl. Save me a spot in that king-size bed in the sky. All my love.
