

## Cooper Langston

February 18, 2015 - July 31, 2025

My Cooper was a Black Lab mix and weighed 110 lbs a big lap dog. Him and his brother Max both slept in my room every night. We called him Coop for short. He was born in our garage Feb. 18, 2015 and passed on July 31, 2025 from cancer. You will always be remembered as a part of our family.

Love and miss you Coop
