REMEMBERING Cuervo

Cuervo was abandoned by her original owner who moved and left her in the backyard to fend for herself. Fortunately she was found and adopted to her forever home where she lived for 12 years. Cuervo was the matriarch of her home. Doing her own thing, but occasionally having to put up with the humiliation of wearing a costume of two. She would always take it in stride knowing she would eventually get a treat. She enjoyed being by herself, but loved affection and making sure everything was as it should be.
