

## Daisy Lee Harlan

December 21, 2013 - March 24, 2025

Daisy Lee Harlan

12/21/13 - 3/24/25

Our beloved Daisy was born on a special-to-us date we already celebrated, she just made it all the more special, and we let her go on an early day in Spring; our final gift to her for all she gave us & everyone she met.

We sheltered her with tenderness, we loved her while we had her, we'll be forever grateful for the happiness she always brought and we'll brave the bitter grief and try to understand the short timing we were lended of her beautiful life. Thank you, Lord, for choosing us for her! What a gift, what a gift, what a gift!

Daisy loved her family, camping with lots of friends who loved her too, walks, treats, her BFF Nellie & GDaddy, her babies & binky that she carried around, Kabota rides, truck rides, belly rubs, Bluey & The Westminster Dog Show on the TV, a good stick and her Jolly ball, and protecting her turf from squirrels, raccoons, birds, rabbits and everything possibly coming through the fence (a blowing leaf included).

Daisy never lived a single bad day! We're grateful she's with all of the souls of our loved ones; all the nearest & dearest who've left us along the way. 🐾❤️ I

love you my sweet soul dog, give those squirrels a run for their money, baby!  
Until we're together again...
