### REMEMBERING Dakota and Rock

You gave me 13/14 years!! I LOVE YOU SO MUCH!!!! Dakota (Brown/Black) I've had since she was 6 weeks old. Her brother Rock (Brindle) we've had since he was 3 they are from the same litter. Dakota and I went through so much throughout my late 20's and my whole 30's to my early 40's. I could not imagine my life without her without Rock, without them both. Dakota/Rock - you have loved me with all your heart I can feel it throughout the years up until your last breath as I held you. You both given me and our family so many years of your life and I am proud to be your human. You've comforted me through my Mental Health issues and with my Multiple Sclerosis issues. I am so sorry to have done this to you (made the decision), I wanted to give you two relief from pain and have a sense of dignity before more pain bothered you two and more "accidents" in the house as you both are very independent and do not like to make accidents in the house! I love you both with all my heart, soul, and my whole being. With God's approval I will see you two at the Rainbow Bridge and we will be together forever and never suffer pain again... all three of us!!! I LOVE YOU TWO SO MUCH!!! I MISS YOU SO MUCH!!!
