Ellie was the most beautiful, sweetest and smart dog, we only had her for a short time but she filled our lives with her joy and spunkiness, she loved her walks, belly rubs and playing tug with her favorite rope, snuggling with her stuffed toys and her Haillie bug.

She was very vocal when anybody came into the house and greeted all with a tail wag and

vocals which to the untrained ear all sounded the same but we knew when she wanted to go for a walk, fed, a snack or a belly rub.

She was our darling and we miss her terribly, the sun does not shine and we are so lonely without her, Fly high our angel, we will see you over that bridge when our day comes, wait for us our sweet baby.
