

Finn Trowbridge

February 7, 2024

With heavy hearts, we bid farewell to our beloved Finn Trowbridge. Finn crossed the rainbow bridge on February 7, 2024. Finn brought immeasurable joy, warmth, and unconditional love to our family.

We'll miss your presence and the security of knowing you were with us throughout the years. You had a zest for life that was infectious. Whether it was chasing a rabbit in the backyard or snuggling under the blanket on the couch, or simply being by our side through life's ups and downs, Finn was ALWAYS there radiating love and companionship to his brothers (Loop, Angle, Kobe, Brayden), sisters (Qweet, Sassy, Noah), mom (Season), and dad (Mike).

Finn's spirit will live forever in our memories. He is the true epitome of unconditional love as he projected his loyalty to each and every one of us. It warms our hearts to know that you are running pain-free across lush pastures under endless blue skies, waiting for us on the other side.

Farewell Finn, you were more than just a pet; you were a beloved family member. Thank you for the countless moments of joy and love you brought into our lives. We'll be sure to get one more puppuccino in your honor next time we make a run to Starbucks.

Until we meet again, run free, sweet boy. You will be deeply missed.

♥ Mike, Season, Kobe, Brayden, Noah, Sass, Qweet, Loop, Angle
