### REMEMBERING Frei

Police Service Dog "Frei" served the McKinney Police Department for 6 years. He was trained to locate people, narcotics and evidence. PSD Frei apprehended nearly 50 suspects in his career as well as large amounts of narcotics. He saved me on countless occasions and ensured all Officers were safe. He was a faithful partner, friend and member of the family. He will be missed by all that knew him but not missed by the suspects that he caught! I love you buddy!!
