

## Gizmo Cruz

July 23, 2005 - June 27, 2024

Gizmo was one of the bestest friends we have ever had. She knew when you were sad and would be there, but when you were happy she was happy with you running and barking everywhere. She was the best shotgun rider. She loved pup cups from any place that offered them. She was small, but boy was she feisty. She would try to bite my husband every time he got close to me. She was my personal bodyguard. We are sad she's gone, but she lived a great 19 years. She was our home. Definitely not the same walking in the house anymore. Mom and dad love you and miss you gizmo! Now you can have all the pup cups you want.
