

Henri Wayne Smith

March 5, 2012 - April 5, 2024

Henri Wayne (Lord Henrik Lord of the Manor)

It is with a heavy heart that we acknowledge the passing of a longtime friend.

I saw you one day on the edge of the woods at the start of winter 2012. You were beat up and had a big cut on your side. It took me two months of feeding you and made you a little shelter for it was a rainy winter and cold. You finally warmed up to me to let me touch you. You did scratch my hands and arms up but that was fine with me.

I took you home and then to the Vet. Your wound had just about healed over during that time but you had worms and bad ear mites and you were still just skin and bones.

Once you came home and realized you were saved and safe you really loved us. You bonded with me and loved me so much and I loved you so much. You were happiest when you laid on my legs and stared at me. You would sleep soundly and dream on my legs.

We gave you the best, safe, and fun home we could give you. You didn't know what a toy even was but you sure learned that they were fun. Your mommy spoiled you with the cat post with the bed on top that she called the car wash.

You loved being brushed going through the car wash.

For 12 years you were loved and you loved us back so much. We will never forget you and you will not suffer anymore when you have crossed over the Rainbow Bridge.

Love,
Daddy & Mommy
