

Jake Peavy

December 19, 2013 - March 3, 2024

Jake Peavy was born on December 19, 2013 and passed away March 3, 2024. He was full of joy and mischief from the first day he chose us. Winning our hearts the moment we saw him he quickly became part of the family at just 8 weeks old. He was an amazing protector and companion making us feel safe and loved unconditionally. He gave the best hugs, loved baths, loved to run as fast as he could, mean mug all the guys, always getting into trouble, and torturing his sisters. He was an amazing Boxer full of personality. He lived life to the fullest in his short 10 years here on earth being loved on daily by so many. He kept us all laughing with his human like ways including talking back or getting onto the kids for rough housing. Bringing us so much happiness to our family Jake will always be our favorite boy. He definitely was my best friend right through it all. Until we see you again, we will be missing you so much Jake Jake. You were definitely meant to be ours.

Rest easy my sweet baby.

Love your humans, Jenn, Madi and Tristynn
