

Jax Smith

August 11, 2014 - June 15, 2024

Jax became part of our family 10 years ago and significantly impacted our family more than we could have imagined. He was a gentle giant. Jax loved the cold weather and would lay outside for hours if we had let him. His favorite snack was cheese, and he could hear the wrapper opening from the other side of the house. There wasn't a person he interacted with that he didn't try to love on. There will never be another like him, and he will be missed immensely.
