REMEMBERING Joy

Born Aug 12, 2006. Passed June 20, 2018 Joy, a Poodle Pug mixed breed with the energy of a star. The baby of our family. She was always loving her family no matter the mood. Everyday she gave us laughs and had us on our toes when food was cooked up in the kitchen. The Breaux Family will never forget our loving, Joy. We love you with all our hearts and it hurt us when you left us Joy. But, we we're happy you enjoyed your time with a loving family and treating you like a baby. Watch us from Doggy Heaven and keep us safe. Love you Joy from The Breaux Family.
