

Juliet Lambert-Christowski

November 5, 2025

Our sweet Juliet crossed the Rainbow Bridge after eighteen wonderful years of love, loyalty, and joy. From the moment she came home in 2007 to her big shepherd brother, Zeke, she filled every corner of life with personality and heart.

Juliet quickly became the boss of the house — guiding, guarding, and gently bossing around her furry siblings Ally, Chase, Destiny and Amber. Over the years, she also shared her home (and opinions) with Maggie the beagle and Brandy and Heath, the cocker spaniels. She built a small circle of canine friends too — Sweet Pea, Bunny, and Noel — but she always made sure everyone knew she was in charge.

Her favorite place was the garage, sitting beside Mom and watching rabbits hop by as the world went on around her. She adored her human siblings, Faith (20) and Isaiah (21), who grew up with her and loved her dearly. Juliet also cherished time at Grandma's house and her Florida adventures, where the warm sun matched her gentle spirit.

She was deeply loved by her aunts Kim, and Anita, and always looked forward to visits from Aunt Helen and Uncle Dennis, and Aunt Lee and Aunt M'lisa all of who had known her all her life.

Juliet's story even had a touch of romance — one summer she fell in love with a stray white cat we named Romeo. Though their love was short-lived, it was the kind of story only Juliet could inspire.

Fierce, loving, and full of quiet wisdom, Juliet leaves behind paw prints that will never fade. She was more than a pet — she was family, confidant, protector, and friend. We will miss her beyond words. She was my road dog and she loved road trips. Her last day of her 18.5 years was filled with love, cuddles, memories, McDonald's cheeseburgers and a Reese's because no dog should leave this Earth without tasting chocolate.

Forever our Bean. Forever loved. Forever. Her mom's love her more than air.

“ JuJu was such a sweet girl and such a trooper. She never fussed about getting woken up to go potty or when Amber would run over her when she was being a rowdy puppy. I was blessed to have been a part of her life even for a short time. I know y'all are gonna miss her terribly as we all will too. Y'all are all in my heart and in my prayers. All My Love.
