

## June Carter-Cash Iniguez

February 10, 2017 - June 1, 2026

June Carter Cash affectionately known as Junie and sometimes Junie Bean, was born on February 10th, 2017. She passed away peacefully in her sleep on June 1st, 2026. Although much too short, we were so blessed to have her in our lives for the time that we did. June came into our life at a time when her spunky personality, snoring and quirky sleep positions were needed most.

June rarely left Johnny Cash's side. They have always been quite a pair. Cuddling together for long naps, sharing snacks, stealing toys from each other, and making several joint escapes from the yard to gallivant the neighborhood. In true Labrador Retriever fashion, she never met a puddle or water trough she didn't like. Loved to sneak into the chicken coop to help herself to an egg or two. She was always full of energy and her tail wagged faster than the speed of light.

June, we love you so very much and miss you more than anyone can imagine. You filled us with your unconditional love and devotion. Please watch over Johnny Cash. I know he feels lost without you. You will be in our heart forever and ever.
