REMEMBERING Keeli Brooke

Keeli Brooke Adams aka “Kee Kee” or “Keester” was born 1-12-06 and adopted by her parents Josh & Tami Adams. She was a wild puppy, eating shoes, baseboards, wooden baby gates & even sheet rock at doggy daycare. Keeli was promoted to big sister with a human brother, Cade & later a sister, Breelyn. She would howl when they cried, take their pacifiers & loved napping beside them. Keeli got a “fur sister” Maci (a GSP) & though they were not going to be the same size as Maci grew, Keeli would still remain in charge. She loved getting in her water trough to cool off, laying in the sun, chewing on pine cones & mulch & eating limbs out of our shrubs. Keeli went on several family vacations. She loved camping, riding ATV’s, going on the boat, swimming in the lake & floating in the pool. We always celebrated her birthdays with wet dog food at the dining table, a party hat & candle. A few of Keeli’s favorite things to do were playing with her daddy’s feet, carrying around her “babies”, chasing Cade's RC car, playing dress up with Breelyn, getting her toenails painted & she loved taking a bath. She had gas & a breath that could clear a room & her snoring was ridiculous. She was the best “fur baby” we could've ever asked for. On 3-1-18, Keeli went to sleep surrounded by her family. Her life was full of unconditional love & she never knew she wasn’t a human. There will never be another one like her & we were so blessed to have 12 years to love, spoil & care for this sweet baby. We love you!
