REMEMBERING Kingo aka Fatty Boy

My Fatty Boy!!! From the moment we met I knew you were the one. The one to make me smile on rainy days. The one to chewed up my shoes. The one who would eat anything that would fall on the floor. The one who wouldn't let me study because he needed his head massaged. The one who wagged his tail and barked as loud as he could when I would returned home. The one who loved to eat peanut butter. The one who ate his breakfast with me. You are the one who stoke my heart! Thank you for showing me unconditional love and for all your warm kisses, and for following me everywhere. My strong solider you will be missed! Waiting at the door I was just a pup when we first met I loved you from the start. You picked me up and took me home and placed me in your heart. my time has come to go. I know your heart is sore. I see the tears that fall when I'm not waiting at the door. You always did your best for me yours love was plain to see, for even though it broke your heart you set my spirit free. So please be brave without me, one day we'll met once more, for when you're called to Heaven I'll be waiting at the door. -Vanja Felske
