

Kody Linch

September 14, 2025

Kody carried me through the most stressful moments of my life with his unconditional and everlasting love. He began his journey with me when I was still in school and stayed faithfully by my side until I could finally give him the life he always deserved.

Together, we traveled across the country, and along the way he even helped me meet my life partner. We explored so many places side by side, and yet he was endlessly patient with me when work kept me busy.

Kody had a gift for connecting with people—he loved everyone he met and would always try to catch the eyes of strangers, just to share a moment of love.

He was more than my companion; he was my constant, my teacher, and my heart. His love will live with me forever. You'll never be forgotten sweet boy.

“ Kody is the sweetest and kindest soul I have ever met in my life! I truly believe he’s an angel sent from the sky to share his love with all creatures. He’s so gentle and considerate, even when he didn’t feel well. I miss every single minute we spent together—I miss playing ball with him, I miss giving him lots of treats, I miss walking with him to his favorite pond, and I miss giving him a bath and watching him shake all the water on me...Kody will be remembered forever!
