

## Kool Rieders

April 14, 2014 - March 31, 2025

With heavy hearts, we announce the passing of our beloved Kool, our "Big Boy," on March 31, 2025, just shy of his 11th birthday. Born on April 14, 2014, Kool was a magnificent black Labrador retriever, a gentle giant who filled our lives with boundless love and unwavering loyalty.

Kool possessed a deep, loud bark that announced his presence, yet he had a soul of great gentleness, never once known to bite. He was a constant source of comfort and joy, a trusted companion and protector through every chapter of our lives.

From a young age, Kool faced the challenge of seizures, and we cherished every moment with him. He needed the extra care and attention that we always gave him that he so deserved. He was our special boy, and we were honored to be his family. He met his challenges with a quiet strength that inspired us all.
