

Lady Martinez

May 31, 2024

Lady was welcomed to her forever home in 2014, coming from ASPCA rescue. She had a strong bond with her fur momma and always enjoyed spending every second with her. She loved cuddling, sunbathing, long walks and food!! There wasn't a person she didn't love and wanted attention from. She was known to welcome you home with a wagging tail and happy zoomies. She tried and begged for every taste of food and of course she had it all. She was such a loving, mellow quiet dog and had so much love! I will forever miss you and will continue to grieve your immensely loss. You made my day everyday with your beautiful green eyes! I'm happy we spend so many years together and had a strong bond, I'm saddened to let you go and know we were ready to rest. Your siblings, grandparents, and momma love you "LadyGirl". I'd want you to know you were the bestfriend I could ask for and the goodest girl. Lady passed on Friday May 31,2024 with her mother at her side.
