

## Layla Tucker

June 12, 2026

Layla came into this world early 2013. She crossed the rainbow bridge June 12th 2026. 13 years was not enough time for her love and loyalty. Layla had the kindest most sincere demeanor. She followed her mommy everywhere. She was a literal shadow. She was fiercely loved until her last breath. She pushed through her pain to stay by her mother's side until the very end. There will absolutely not be another dog like her. She was the best good girl and will forever be missed. Her mother's world is a little quieter and lonely since she has departed. Until we meet again my most precious girl.
