

Lenny Stewart

June 12, 2007 - July 20, 2024

Our buddy, Lenny, came into our lives in the Spring of 2009. He was two years old. He was the first pet for his siblings, who were eight and 12, and over the next 15 years, he would see them go from elementary school through college — the same precious buddy, just a little older each year.

Lenny loved walks, his treats, and to be next to “his” people. He was completely “chill” — the coolest dog ever! He didn’t play about his family, and would turn quickly into the pit bull he thought he was if he sensed we were in danger, even if it was just pizza delivery! He would not rest until each person was home. He would sit in a spot where he could watch out for those who were home, while simultaneously watching and listening for the garage door. He had difficult moments when college days came for his siblings, but he got into a nice groove with the others who paid the bills until his favorites would return for visits.

Lenny met and loved a new generation before he left us. He started over with a toddler as an old man, but handled it with tons of patience and grace! He came to love his grand sibling and she loved him so much!

Lenny’s person was Tori. She came home from college at least twice a month to see her buddy, and he was so happy!! He could smell her coming! They had a beautiful bond. He gave her one extra year after college graduation to come home and say goodbye. We expected nothing less from Lenny. He always made sure we were all okay.

We will miss him forever, but we were blessed with so many years of

memories! Rest well, Lenny. Until we see you again!
