REMEMBERING Lexi

Remembering our precious little Angel Lexi was the greatest joy of our lives. She was so very special and was so very loved. All Lexi ever knew was love every day of her life.. We always said she was an angel sent to us from Heaven above. Lexi was the sweetest most loveable little girl. We cannot believe your gone precious girl. Mommy and Daddy misses you so much. We are so very blessed we had you in our lives for over 15 years. We only wish it could have been longer. We will forever treasure our precious memories of you as you will always be forever loved and in our hearts. We pray that you are now free of your illness sweet girl and that Panda, Paw, Cinnamon and Ashley were waiting for you as you entered the gates of Heaven.yesterday afternoon. We hope you are all having fun and running in the meadows and hills of Rainbow Bridge till we can be reunited again someday. Rest in peace in Rainbow Bridge my love and know that you will always live in our hearts and that we will treasure your memories forever and ever. We only wish Rainbow Bridge had visiting hours so we could love, kiss and hold you one more time. We will Miss you always and love you forever and ever my precious little girl.
