REMEMBERING Little G (aka Baby G)

My baby! You were the sweetest little boy. So loving, so gentle, and oh so so sweet! I will miss our morning and night snuggles, our car rides, and our walks. You hated me dressing you, but man am I lucky to have all these cute pictures now, not only of you but your brother as well. You two were so so love, and I am so happy you two are back together and can spend forever playing and sleeping with each other. You two were everything to me, came into my life at a time where I needed something to love and care for, and you two allowed me to do just that. I'll miss you, baby boy! My sweet little man. My heart is forever broken without you two. Mommy loves you!!
