

Lucky Johnson

November 21, 2024

Lucky Johnson, who our entire family referred to as Lucky Jo, was a Shih Tzu that we came to love for 10 years of his life. He was a rescue, who naturally bonded with our family and lived a full life. His charismatic, fun loving, and curious nature won the hearts of family, friends, neighbors, and especially my husband and I. Some of the things that made Lucky Jo special was his love for chicken, bedtime TV, playing with his furry family Khloe and Sweetie, running all over the yard exploring, and of course playing with his numerous toys. Though these 10 years zoomed by and we are saddened by his loss, we were blessed to have him in our lives. We will always love you and we miss you so much, Lucky Jo.
