Lucky 2010-2025

For 15+ years, we were the lucky ones. Having this super sweet and spirited loving companion in our lives has been a joy.

She celebrated so many happy life events with us, was devotedly glued by our sides during some tragic ones, as well as every day moments we can easily take for granted. We will remember Lucky's playfulness that lasted way beyond puppyhood into her senior years; her resilience in overcoming five oral cancer-related surgeries and even an emergency encounter involving a huge bag of semi-sweet chocolate chips! Her cleverness and agility, her gorgeous markings that drew admiration from children and elders alike. And most of all, we will remember being blessed with an incredibly affectionate, fiercely loyal yet super gentle dog, who thought she was a person and was as beautiful inside as she was on the outside.

The right time to say goodbye would be - never! But the fleeting aspect of people or pet's lives are precisely what makes time with them so precious. You didn't deserve to suffer any more Luck Luck, your struggles are over, sweet girl. We will miss you and remember you forever! Rest peacefully dear Lucky.

We'll miss you,
Your loving family
