

## Lucky Sandlin

June 1, 2013 - September 8, 2023

Lucky was 10 at the time of his passing. My boy Lucky was a very picky eater. He would only eat cat food but he did love some hamburger meat, too. He loved to go outside and play and lay in the sun. At night, he would get really close to me and would sleep with me all night. He was my sweet baby. Lucky, my little old man, you were a blessing and I miss you so much, already!
