

Lucy Lou Loftis

January 1, 2017 - October 11, 2023

Lucy was 5 mos old on 5/30/2017 when we rescued her. She joined our family with 2 cats Izumi and Zeppelin, and big brother senior named Mesir. She was rescued from fighting breeders and had many challenges ahead of her. For 7 years I kept her safe and out off harms way. She was a loving companion that followed her Mom everywhere. She leaves behind her Mom Christina, her brother Joseph, sister Anneliesa and Memaw Judy. She had special bond with friends Eric D (ED) and Wayne S. She lived a good life including the last 3 years at the beach! She joined Mesir at the rainbow bridge on 10/11/23. She is truly missed! 💔
